

The dress code for Georgia Swimming Officials is as follows:

- Uniform Requirements
 - Navy pants or knee-length shorts or skirt.
 - White polo shirt, tucked in
 - Belt
 - Primarily white tennis shoes
 - White socks

During State Championships we will wear Long Pants during the Finals sessions.

If traveling to a meet **out of state**; check with the meet referee for that meet about their dress code.

Many LSC's like Alabama, Tennessee, North Carolina, South Carolina where Khaki pants/shorts.

For USA **higher level meets and National Championships** they will specify the required dress code – usually black pants, black deck shoes and a white polo.
